Career Opportunity as a Machinery Builder!

Harris and Bruno International is looking for good people with firsthand mechanical, electrical and fabrication skills. Located in Post Falls, Idaho with headquarters in Roseville, California. The company has been experiencing steady growth since opened in 1948. As a globally recognized name in the print industry, we are partners with companies at the top of the industry like HP, Vistaprint, Shutterfly and more. This job will entail building machinery and ancillary equipment for these giants of the print industry.

EDUCATION and/or EXPERIENCE (experience in one or more of the following areas)

- Excellent, firsthand mechanical and or electrical aptitude.
- Experience in a manufacturing environment and/or machine shop or experience as a car or diesel mechanic.
- Experience with assembly of engines, transmissions, bearing fits, and/or general mechanical assemblies is highly applicable.
- Mechanical/electrical trade school is a plus.
- Ability to read and interpret drawings both electronic and hard copy to facilitate complicated assemblies.
- Experience using precision measuring tools.
- Competence using both hand and power tools.

- A can-do attitude and willingness to learn is a requirement!

We have a competitive employment package including the following:

- Medical
- Dental
- Voluntary vision
- Company provided life insurance with the option of additional voluntary life insurance.
- 401K with employer match
- Robust PTO policy with 3 weeks earned in the first year.
- Paid Holidays
